

## CONCERNED ABOUT OUR NATION'S FISCAL FUTURE?

### COME PARTICIPATE IN A UNIQUE INTERACTIVE EXERCISE

Try your hand at making the decisions needed to balance the federal budget. Want to cut programs, raise taxes, or eliminate earmarks? **The choices are yours.**

### JOIN CONGRESSMAN JOHN BARROW

Join us for an eye-opening exercise that will demonstrate how some of the proposals in today's news would affect the operations of the federal government, as well as many programs in our local communities. The interactive event will allow participants to make the same policy decisions facing our lawmakers today, and see exactly how those decisions affect our national budget and our long-term economic future.
